In the nature of the grievances that are raised by the writ petitioners, I consider it appropriate that the petitioners should approach the 1st respondent seeking revision of their wages. This is for the reason that according to the learned Govt. Pleader the Government Orders that are relied on by the petitioners are inapplicable to them.

2. Accordingly, I dispose of this writ petition directing that the petitioners will be at liberty to move the 1st respondent seeking revision of their wages, in which event it is upto the 1st respondent to consider and pass orders thereon.

The writ petition is disposed of as above.

ANTONY DOMINIC
